Suggestions for Seniors

With graduation on the horizon, we know that our seniors are looking forward to the rites of passage and traditions that come with graduation. Habitat for Humanity is a few weeks away, followed closely by Senior Supper and the Senior Family Reception and Awards.

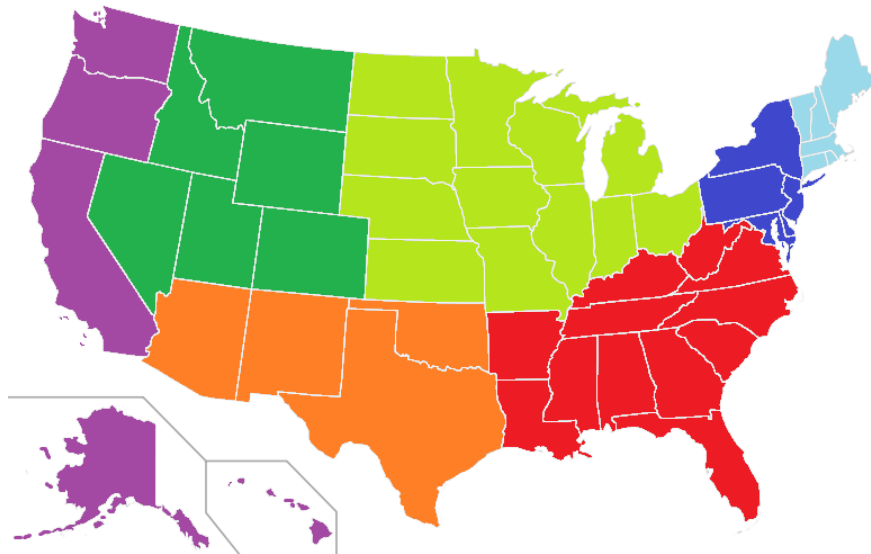

In the meantime, we encourage our students to finish the year on a high note; admission is contingent upon a successful academic conclusion to your senior year. Our Tulane representative, Owen Knight, recently wrote an article, "[How to Stay Admitted.](#)" providing tips to the Class of 2022 as they near the end of their high school career. Additionally, several enrollment managers from colleges and universities across the country have shared their stories about rescinded/revoked admission offers in a *Forbes* piece, "[College Admission Warning: Don't Give Up Now Seniors!](#)"

Celebrations and Congratulations – We're Almost There!

After an exciting year, our seniors have **558 acceptances** to colleges and universities all over the country and internationally. Waitlist activity could continue throughout the summer. As seniors continue to receive decisions, we ask that they continue to share them with the college counseling team.

Below is a list of colleges, universities, and post-graduate schools where our seniors have earned admission. Those bolded and italicized represent schools where students are matriculating. The list (which begins on the following page) is separated by U.S. regions, as seen on the map, followed by international schools.

We are so proud of the diverse and robust list of schools, demonstrating our students' ability to find their right-fit institution.
